

**MINUTES OF 162nd/163rd MEETING OF
STATE LEVEL BANKERS' COMMITTEE,
MADHYA PRADESH
HELD ON 04.03.2017 AT BHOPAL**

The 162nd/163rd meeting of State Level Bankers' Committee, Madhya Pradesh for September & December 2016 quarter was held on 04.03.2017 at Conference Hall, Central Bank of India, Zonal Office, Bhopal, under the Co-Chairmanship of Shri Basant Pratap Singh, IAS, Chief Secretary, Govt. of Madhya Pradesh and Shri Rajeev Rishi, Chairman & Managing Director, Central Bank of India.

Ms. Anjuly Chib Duggal, Secretary, Department of Financial Services, Government of India attended the meeting as member SLBC.

Senior officials from the Govt. of Madhya Pradesh, Regional Director, RBI, Chief General Manager, NABARD, State level heads of Commercial Banks and officials from other related agencies also attended the meeting. A list of the participants is annexed hereto.

At the outset, Shri Ajay Vyas, Convenor, SLBC & Field General Manager, Central Bank of India welcomed all the participants.

Thereafter, Shri Rajeev Rishi, CMD, Central Bank of India addressed the house. Shri Rishi touched upon the latest scenario in the economy and the progress of schemes under implementation in brief. He also touched upon the need to hold regular meetings as per schedule prescribed by RBI.

Ms. Anjuly Chib Duggal, Secretary, DFS, Govt. of India subsequently addressed the house. She commented on the low achievement of ACP during the current year and stressed upon the need to achieve the same. Referring to the stress in banking industry on account of disproportionate rise in NPA, Ms. Duggal requested the State Government to step up its support to the banks for recovery of dues and timely disposal of cases filed under Section 14 of SARFAESI Act.

Shri Basant Pratap Singh, Chief Secretary in his address stated that data on branch expansion shows that the thrust of the banking sector is towards opening of branches in urban centres whereas need of banking services is more in the rural and semi urban areas. RBI has categorized Madhya Pradesh as under-banked state and out of 51 districts, 45 districts have been categorized as under-banked districts. There is a need of special focus on opening of bank branches in these areas to improve reach of formal banking sector to rural populace.

He also mentioned that there are 47 unbanked villages having population more than 5,000. These villages were allotted by the SLBC to various banks to open a brick and mortar branch. Target date for opening of these branches was fixed as 31st March, 2017. He remarked that most of the private sector banks are not inclined to open the branch in these centres. GoMP is getting request from the MPs and MLAs regarding opening of branches in such centres. Such requests are not being considered favorably and banks are stating non-feasibility/viability as a reason. He also commented that initially some branches may not be viable in 2-3 years, but subsequently it may be a viable centre and hence, he opined that feasibility cannot be assessed at this juncture. All banks need to open the branches as per norms prescribed by RBI for rural areas. He also raised the issue of opening of 5 bank branches in LWE Balaghat district wherein the District Collector had identified sites for opening branches and requested banks to open the branch as identified by the Collector.

The Chief Secretary, however, expressed concern over non-achievement of target under Agriculture sector, despite that the State's economy being primarily an agrarian economy. He mentioned that the growth in agricultural output in the State has been in double digit for the past few years. Banks could achieve only 53% of the ACP target under Agriculture during the first three quarters. RRBs & Co-operative Banks are the drivers of agricultural credit in the State but during the first three quarters of FY 2016-17, their performance was far from satisfactory. CMPGB, MGB, NJGB & Co-op Banks recorded only 38%, 24%, 43% & 51% achievement respectively. He requested banks to give a serious thought to the issue and scale up finance to agriculture sector.

Action: RRBs & Co-operative Banks

As regard CD Ratio of the State, he mentioned that the overall CD Ratio has decreased drastically by 6.72% during 3rd quarter as compared to 2nd quarter. The main reason of reduction might be demonetization. As on 31.12.16, there were 11 Districts having CD Ratio of less than 40% as against the minimum norm prescribed by the RBI. Umaria, Shahdol, Tikamgarh, Mandla and Dindori districts are having low CD ratio historically, whereas Satna, Sagar, Jabalpur, Panna, Chhatarpur & Bhandra were new additions of late. If the situation continues in March-2017, then these districts may also be reviewed by the Sub-Committee on Low CD Ratio.

Action: Concerned lead Banks & LDMS

As regard State Government's Sponsored Schemes, he stated that Government is getting complaints from beneficiaries that the banks' branches are insisting upon collateral security/equitable mortgage of the property and/or fixed deposit from the borrowers' inspite of the fact that there is a provision in the scheme that banks will not ask for collaterals from the borrowers. GoMP is also reimbursing fee payable to CGTMSE for guarantee cover to the bank. He mentioned Punjab National Bank have taken the collaterals in 40 cases. In respect of Central Madhya Pradesh Gramin Bank, he mentioned that as per RBI guidelines, collaterals are not required for loans to MSME segment upto Rs. 10 lacs which were not adhered to by them in 73 cases. He appealed all banks to

comply with the provisions of the schemes and guidelines of Reserve Bank of India. Similar position might be in other banks also. All banks should ensure that the collateral security should not be demanded.

Action: PNB, CMPGB & All other banks

On the matter of MUDRA loans, he stated that progress under MUDRA loan is very low at 44.83% of the target. GoI had set target of Rs. 4930 crore for the banks operating in MP whereas GoMP had set target of 5 lakh cases to be considered under this scheme. It has been observed that there is data inconsistency between the data submitted by the banks and data available on the MUDRA website. As per MUDRA website, progress for FY 2016-17 as on 24th February, 2017 was Rs. 6193.89 crore in 22.04 lakh cases. Secretary, DFS, GOI clarified that data shown in MUDRA web portal may include the figure of NBFCs and MFIs also.

He also stated that participation of the private sector banks in MUDRA scheme was also not satisfactory. HDFC Bank, Axis Bank, ICICI Bank, Karnataka Bank and RBL Bank were reporting cases under MUDRA while others having zero report.

Action: All concerned Pvt. Banks

As regard complaints received through CM Helpline, banks are not resolving such complaints in time. He advised that banks should be proactive in resolving the complaints and avoid the complaints reaching the last level.

Action: All Banks

On the issue of NPA of banks, the Chief Secretary stated that he is very conscious of the issue and assured full co-operation of the State Administration to banks in reducing NPA as the Government also does not want loans to go bad. District Collectors have been again advised to help banks in enforcing SARFAESI Act and other cases.

Thereafter the agenda items were taken up for discussion:

Item No.1 : Adoption of the minutes of the 160th /161stSLBC meeting held on 11.08.2016:

The minutes has already been circulated to members and published on the websites of DIF, GoMP & SLBC. Since no suggestions/amendments were received, minutes were treated as confirmed.

Item No.4: Review of Banking Developments in M.P. in Q-3 of FY 2016-17

- Total business growth is 6.84% over previous quarter. While growth in Deposits was 11.18% over previous quarter due to inflow of funds during demonetization period, growth in advances was only 0.85%.

- Settlement of Agriculture insurance amount of Rs. 4400 crores also impacted the outstanding agriculture credit.
- Education loans of the banks declined by Rs. 167 crores over previous quarter. It was clarified by Convenor that Syndicate banks had wrongly reported Rs. 179.53 crores outstanding under education loans in Sep 16, which was reduced to Rs. 19.66 crores in Dec-16 quarter.
- As regard the MSME advances, it was stated that cash received during demonetization in operative loan accounts affected the growth. Further, bankers' could not attend to fresh disbursements during the exercise.
- Loans outstanding under Social Infrastructure sector also declined by Rs. 3 crores over previous quarter. Convenor stated that this sector was added in the year 2015 under priority sector. Appropriate classification of advances and data cleansing are required as banks have already been financing education institutions, hospitals etc. which come under social infrastructure but are not getting reflected in their data.
Action: All Banks
- Performance of banks vis-à-vis RBI Norms was also explained before the house. Being agrarian state, priority sector advances of banks crossed from 40% benchmark and reached 64.49% in Dec 2016. However, advances to micro sector under MSME need to be picked up, which was 7.19% of total advances against the RBI Norm of 7.5%.

Action: All Banks

Item No.5: Cashless Economy in M.P.

- Demonetization impact on the deposits and PMJDY accounts was discussed and noted. As regards impact on Digital Payments, the Secretary-DFS stated that BHIM app is fast, secure and reliable cashless payment through mobile phones and also interoperable with other Unified payment Interface (UPI) applications and bank accounts. Banks should encourage people to do transactions with this app.
Action: All Banks
- During the discussion, the Secretary-DFS advised the Regional Rural Banks (RRBs) to update their technology for mobile banking and other applications with assistance from sponsor bank.
Action: All RRBs
- Non-availability of PoS machines and Mobile Banking in the rural sector was pointed out by the government officials. Chairman-CMPGB, replied that none of the RRBs got permission from RBI for installation of PoS machines and for giving Mobile Banking service. The Secretary, DFS, GOI advised to take up the matter with RBI through their Sponsor Banks to resolve the issue. The Chairman also added that there was mismatch in demand and supply of PoS machines also which was causing delay in increasing the number of PoS machines in the market. She

also advised Banks to explore m-POS & virtual POS which are more economic and easy to implement. **Action: RBI**

- CGM NABARD informed that it will provide a grant of Rs. 228 crore for deployment of two lacs POS machines in one lac villages and procurement of EMV based debit cards for farmers across the country. He also informed that NABARD will extend support to banks for deployment of two POS machines per village in one lac villages of Tier 5 & Tier 6 areas having population of upto 10,000. He also said that the scheme was available for RRBs & rural Co-operative Banks.
- CGM NABARD also mentioned that they have released Rs.17.73 crs to 6 Commercial Banks for V-SAT installation in SSA having connectivity problems in MP.

Item No.6: Unveiling updated and revamped website of SLBC, MP
www.slbcmadhyapradesh.in

A new revamped website of the SLBC-MP was inaugurated by Ms. Anjuly Chib Duggal, Secretary, DFS, GOI. Features of the new website were explained to the forum. The Secretary, DFS, GOI advised that a link to the DFS website may also be provided for effective use of data. The new website was well received.

Item No.7: Review of Performance under Annual Credit Plan (ACP) FY 2016-17 up to 31st Dec-16

- The performance under ACP during the FY 2016-17 and in the third quarter of the current FY was reviewed.
- On account of low progress (only 56%) achieved under Priority Sector in December, 2016 quarter, the Chief Secretary said that banks should not lag behind in achieving the targets.

Action: All Banks

- MSME sector has been always playing a leading role in priority sector target achievement due to various supporting schemes of GoMP & GOI. Upto Dec-16, achievement under MSME was 76.10% which was higher than achievement in other segments.

Action: All Concerned Banks

- Performance of RRBs is required to be geared up as ACP achievement is not satisfactory. CMPGB, MGB & NJGB achieved only 33.92%, 28.77% and 42.12% of the targets respectively.

Action: RRBs

- The Chief Secretary stated that the Government is making all out efforts for creating demand in agriculture, MSME and other priority sector. Therefore, the issue needs to be looked into by all concerned. All banks to ensure that targets planned for the State should be achieved.

Action: All Banks

- It was informed by SLBC Convenor that a web interface for submission of data by LDMs is under preparation and would be live shortly. All LDMs would be provided login ID & password and they have to fill the data for their respective district through web portal only. The LDMs would have to submit the data for FY17-18 based on which the State Annual Credit Plan for FY 2017-18 would be finalized. In future data would be accepted through the web interface only.

Action: All LDMs & Lead Banks

Item No.8: Doubling Farmers' Income by the year 2022

- CGM, NABARD pointed out that share of RRBs needs to be picked up. Increase in agriculture term loan for capital formation is essential to boost the agriculture. He advised that matter of agriculture should be discussed vigorously in the SLBC Sub Committee on Agriculture and strategies should be devised.

Action: SBI & RRBs
