### Message

It's a matter of pride that State Level Banker's Committee (SLBC) is launching the Annual Credit Plan (ACP) 2021-22 for the state of Madhya Pradesh. Timely and adequate credit plays a pivotal role in the process of development, more so in case of rural and agriculture development. The process of credit planning ensures equitable and optimal use of credit resource and it also facilitates effective monitoring of ground level credit disbursement.

The ACP is evolved based on an elaborate and well-structured laid down procedure of credit planning. NABARD authored district level Potential Linked Credit Plans (PLPs) which are aggregated into State Level Credit Plan (SLCP) forms the basis for ACP and accordingly a process of dovetailing of SLCP and ACP is achieved.

I am sure that the ACP of Rs. 2,12,821 crore (including Rs 1,99,077 crore for Priority Sector) will prop-up Ground Level Credit (GLC) in the Financial Year 2021-22 in the state of Madhya Pradesh and it would not only ensure adequacy of working capital to farmers, artisans and entrepreneurs, but will also lead to Gross Capital Formation in rural areas by way of asset and infrastructure creation through term lending thereby giving fillip to make Atmanirbhar Madhya Pradesh.

I, call upon the banking fraternity as also other Financial Institutions to ensure the achievement of ACP 2021-22, both in terms of quality and quantity so that together we can contribute holistically towards Agriculture and Rural development. If together, we strive to achieve the targets set under agriculture term lending, it will lead to improvement of CD Ratio, especially in low CD ratio districts. Once again, I urge all banks to strive to diversify their agriculture loan portfolio and give focus on term lending for capital formation in agriculture.

I congratulate SLBC Team for bringing out ACP 2021-22. I am sure that achievement of Annual Credit Plan would accelerate the pace of inclusive growth and will bring smiles on the faces of rural poor and farmers.

I wish SLBC and Bankers a fruitful business year 2021-22 and assure them of all the necessary support from NABARD.

## **P R E F A C E**

Banks are in the forefront of implementing developmental programmes of national interest. The Banking industry in M.P. has witnessed a phenomenal growth over the past few years. Total loans to priority sector has reached to 62.25% of total credit as against RBI Norm of 40%. Of which, the quantum of credit made available to

weaker section of the society has reached Rs 74,215 crore and number of people benefitted crossed 85 lakh as of December, 2020.

State Level Bankers' Committee, as mandated by Reserve Bank of India promotes Banks' role in the overall development of the State, and has been publishing 'Annual Credit Plan' every year. It gives me pleasure in presenting the Annual Credit Plan for Financial Year 2021-22, which is an aggregation of approved district credit plan of all 52 districts. The Plan entails an outlay of Rs 2, 12,821 crore (priority & non-priority sectors) with an increase of 12.46% over previous year's plan, which will be the minimum benchmark for all the banks.

The credit plan for priority sector has been assessed at Rs 1, 99,077 crore, which denotes an increase of 12.97% over the previous year. The share of agriculture is pegged at Rs 1,52, 057 crore, which is 71.45% of total credit plan. Share of term loans to total agriculture has been kept at 35%. Keeping in view the State Government's priority to boost the activities of SHGs, a fund of Rs 2,152 crore has been allocated for SHGs, which is 53% more than the previous year targets.

The credit assessment for MSME, Education, Housing, Export Credit, Social Infrastructure, Renewable Energy and Other Priority Sector are Rs 35,009 crore, Rs 1,345 crore, Rs 8,070 crore, Rs 864 crore, Rs 710 crore, Rs 617 crore and Rs 205 crore respectively. Nine districts in the state has been low CD ratio (below 40%) historically. A sufficient fund has been allocated for these districts, keeping in view the potentiality survey of NABARD.

When the world is in the crisis, we believe that our great resolve will help overcome this crisis. The 'Atmanirbhar M.P. Roadmap 2023' of Govt. of M.P. is founded on the existing strengths of the State with a vision to position itself as one of the leading States through bold initiatives and innovations. It will give push to national goal of making 'Atmanirbhar Bharat'.

I extend my sincere thanks to the State Government, NABARD, RBI, LDMs, Officials of SLBC department and Controlling Offices of various banks for providing their cooperation in preparing of this document. We are confident that with devotion and diligence, banks would be able to achieve the estimated credit disbursement targets and realize the goal of Self-reliant nation and Madhya Pradesh.

- The National Bank for Agriculture and Rural Development (NABARD) has projected Rs.2,17,374 crore as Potential Linked Credit Plan (PLP) for the year 2021-22 for the state of Madhya Pradesh under priority sector.
- Credit assessed by the Banks for the year 2021-22 under priority sector is in line with the PLP of NABARD, which is Rs. 1, 99,077 crore and comprising 92% of the PLP.
- As against PLP of Rs. 1, 60,710 crore for agriculture sector, credit provisions have been made of Rs. 1, 52,057 crore in the ACP. This includes provision of Rs 1, 00,991 crore for crop loans and Rs. 53,219 crore for agriculture term loans.
- Provision of Rs. 35,009 crore has been made for Micro, Small & Medium Enterprises comprising manufacturing, processing & service industries as against the PLP of Rs. 36,102 crore keeping in view of the opportunity in the MSME sectors in the State.

Thrust has been laid on agriculture investment credit, which is 35% per cent of total outlay earmarked for agriculture lending with a view to achieve capital formation in agriculture for doubling the farmer's income. After thorough discussions and sector-wise analysis in consultation with the stake holders, the projections for credit flow under water resource development, irrigation, farm mechanization, land development, animal husbandry and dairy development, sheep and goat rearing, poultry, plantation and horticulture, etc. has been made.

## **KEY HIGHLIGHTS- MARCH 31, 2021 (FY 2020-21)**

Highlights of the performance of all the Banks during FY 2020-21 are given below:

1. Total Business of the Banks increased to Rs 8,47,473 crore in March 2021 from Rs. 7,55,877 crore in previous year. On year-on-year (y-o-y) basis, bank's business increased by 12.1% in March 2021 as compared with an increase of 7.9% in March 2020.
2. Aggregate deposits increased by Rs 65,132 crore y-o-y and stood at Rs. 4, 88,688 crore in March 2021. The year-on-year (y-o-y) growth in aggregate deposits worked out to 15.4% in March 2021 which is almost double as compared with growth in March 2020, which was 7.7%. The rise in deposits growth seems to be driven by lower transaction demand and precautionary cash preservation in the face of huge uncertainties created by the pandemic, lockdown restrictions and the slide of the business cycle.
3. Out of total deposits, share of CASA (Savings Account & Current Account) was 44.3 per cent March 31, 2021. Savings and Current deposits stood at Rs 1,87,732 crore and Rs 28,669 crore respectively. Share of Time/Term Deposits was 55.7% of total deposits.
4. The Credit-Deposit (C-D) Ratio of the state decreased to 73.42% at the end of March 2021 from 78.46% previous year in March 2020. However, actual CD ratio stood at 75.71% after including credit of Rs. 11,194 crore as per “place of utilization Norm” of RBI.
5. Gross credit of the Banks increased to Rs.3,58,785 crore in March 2021 from Rs. 3,32,321 crore one year ago, registering y-o-y growth of 8.0%. Year-on year growth of credit in March 2018, March 2019 and March 2020 was 13.7%, 12.6% and 8.1% respectively.
6. Agriculture credit increased by 7.1% y-o-y to Rs.1, 17,797 crore in March 2021 from Rs. 1, 09,952 crore previous year. Agriculture credit is constituting 32.83% of the total credit portfolio as on March 2021.
7. Credit to MSME sectors stood at Rs. 65,696 crore in March 2021, showing y-o-y growth of 9.1% as compared to 8.0% a year ago.
8. Credit to housing under priority sector increased by 9.4% in March 2021, down from an increase of 22.2% in March 2019.
9. Gross NPA reduced from Rs 36,275 crore in March 2020 to Rs 33,739 crore in March 2021, showing 7.0% down year on year basis. The main reasons for this decline is the recovery held in the large corporate accounts in some banks.
10. 10 Banks namely State Bank of India, DCCB & Apex Bank, Bank of India, Punjab National Bank, Union Bank of India Central Bank of India, HDFC Bank, ICICI Bank, Bank of Baroda & Canara Bank continued to be accounted for over two-thirds of total business as on March 2021. Of which, around  $\frac{1}{4}$ th of total business is lying with SBI.

# About Madhya Pradesh

## ECONOMY

The Gross State Domestic Product (GSDP) of Madhya Pradesh for 2020-21 at current price is estimated to be Rs 9,17,555 crore. The primary sector accounts for 46.98% (at current price) of the State's GSDP as of 2020-21 (Estimation), followed by Industry (19.47% GSDP) and Service sector (33.55% in GSDP). Taking into account of the GDP at constant price, share of the GDP of Madhya Pradesh is approximately 3.86% to GDP of the Country.

Sector wise distribution % of GSDP at current prices & constant prices (2011-12) (Estimation)

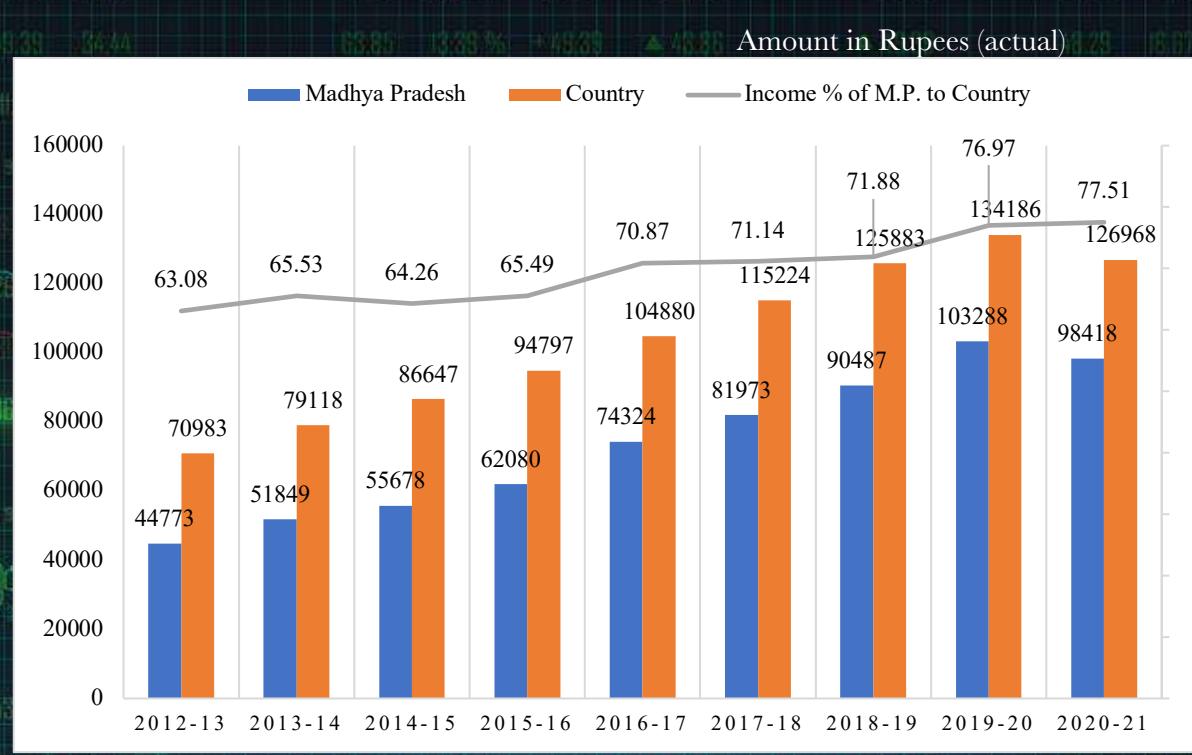

Economy of Madhya Pradesh is primarily agrarian and it is a champion in the development of agriculture and allied sector for more than a decade. Owing to an impressive agriculture growth rate, MP has been the recipient of the Krishi Karman Award consecutively from the last many years. The State has taken several concrete steps to attract investment, simplified various procedures for starting a business in 30 days, and set up an online system for the same. Due to these efforts, Madhya Pradesh is ranked fourth in the 'Ease of Doing Business' list as per the State Business Reform Action Plan-2019 ranking. According to the Department of Promotion of Industry and Internal Trade (DPIIT), the cumulative FDI inflows in MP were valued at US\$ 225.70 million between October 2019 to September 2020.

Madhya Pradesh has immense potential to become the manufacturing hub of India due to availability of land, Narmada water, power surplus, almost negligible Labour-unrest incidents, presence of eminent skill institutes, and availability of the best infrastructure for setting up industries in the state. The state is suitable for the auto-sector, food processing, textile and apparel, defence sector logistics and warehousing development.

The state is home to around 280 pharmaceutical units operating in the industrial areas of Dewas, Indore, Pithampur, Mandideep and Malanpur. Due to the abundance of tigers and other wildlife in the national parks of the state, it has been recognized as the 'Tiger State of India'. The state is focusing on infrastructure development in agriculture and allied sectors and by developing the infrastructure it is attracting the industries, thereby generating employment opportunities.

## INDUSTRY

Madhya Pradesh is home to India's first green-field Special Economic Zone (SEZ) in Pithampur which is spread over a total area of 1,114 hectares. Besides Pithampur SEZ, the State also has four IT SEZs and four key industrial corridors.

Industrial development is considered as the driver for sustained developmental progress. The State inherits large petrochemical processing facilities, traditional public sector units (PSUs) and defence related production. The State has potential to become a logistics hub of India with over 160,000 Kms of road network and over 424 trains passing through its geographical jurisdiction daily. The State offers an installed power capacity of over 23,400 MW to its investors; 35% of which is contributed by renewable energy sources. Madhya Pradesh is home to the thickest coal field and accounts for 14% of India's total cement production. The State with a strong base of mineral resources also has an oil refinery at Bina with an annual capacity of 6 MMT.
